

Dear Parent/ Carer,

As part of our Enrichment program at Grace Academy, we are pleased to offer free music lessons to any student interested. This will be either individual or small groups. At this time we are able to offer:

- Guitar
- Bass guitar
- Flute
- Clarinet
- Saxophone
- Drums
- Keyboard
  
- Strings (Violin or Cello)
- Brass (Trumpet or Trombone)
- Vocals

Initially there will be no cost of these lessons. This may be subject to change in subsequent terms. The group and shared arrangements will depend on the teacher's assessment of the students' abilities. Instruments (except from drum kits) will be provided. Students will need to take their instrument home to allow them to practice, the music teachers are happy to offer advice about this. Students will be responsible for keeping and looking after their instruments as well as attending the relevant music clubs and concerts.

If your child is accepted you will receive confirmation and an agreement to sign. Depending on availability your child may be placed on a waiting list until a space becomes available. Please note that a complete half term's written notice is required to cancel lessons. If you are interested please return the slip below on July 6th.

Yours Sincerely

Miss Kennedy  
Teacher of Music

Name of pupil .....

Instrument requested .....

2nd Option (if 1st choice is full).....

Do you have your own instrument? .....

Previous experience (if any) .....

I understand that if my child is accepted they will attend ALL instrumental lessons and I am responsible to look after the instrument that is loaned to my child.
