Dear Parent/Carer

New Uniform Arrangement

I am pleased to inform you that from June you will be able to purchase your son or daughter's school uniform from our local retailer Cat Ballou Originals Ltd either on line or by visiting the shop at 1-3 The Burges, Coventry CV1 1HN.

This means that from June only ties can be purchased from reception between the hours of 8.00am and 4.00pm.

As result of this new arrangement, we have been able negotiate price reductions on certain garments and at the same time keep any price increases to a minimum.

You will find a leaflet providing you with further information about the retailer on our website which also details the uniform available and the prices.

If you have any questions about this matter please call reception on 024 7658 9000.
